The Laurel School of Princeton  
The Newgrange School of Princeton  
800 North Road, Pennington, NJ 08534

Dear School Community,

Our school is committed to protecting student, teacher, and staff health. To protect our community and be in compliance with the Department of Education regulations, we have tested our schools' drinking water for lead.

In accordance with the Department of Education regulations, our schools will implement immediate remedial measures for any drinking water outlet with a result greater than the action level of 15 µg/l (parts per billion [ppb]). This includes turning off the outlet unless it is determined the location must remain on for non-drinking purposes. In these cases, a "DO NOT DRINK – SAFE FOR HANDWASHING ONLY" sign will be posted.

### **Results of our Testing**

Following instructions given in technical guidance developed by the New Jersey Department of Environmental Protection, we identified and tested all water sources for drinking water and food preparation. Please find the results of those tests below.

Sincerely,

James P. Sheeley  
CEO Laurel Education Group  
Head of School, Laurel School  
Principal, Newgrange School

### Notes and Definitions

U	Compound not detected
DET	Analyte DETECTED
ND	Analyte NOT DETECTED at or above the Reporting Detection Limit (RDL)
NR	Not Reported
dry	Sample results reported on a dry weight basis
RPD	Relative Percent Difference
<	Less than reporting limit
≤	Less than or equal to reporting limit
>	Greater than reporting limit
≥	Greater than or equal to reporting limit
MDL	Method Detection Limit
RDL	Reporting Detection Limit
MCL/AL	Maximum Contaminant Level/Action Level
mg/kg wet	Results reported as wet weight
TTL	Total Threshold Limit Concentration
STLC	Soluble Threshold Limit Concentration
TCLP	Toxicity Characteristic Leachate Procedure

All work performed by New Jersey Analytical Laboratories LLC, is subject to our terms and conditions of services viewable at our office and our website: <http://www.njal.com/About-NJAL/Terms-and-Conditions.aspx>
